

CP3 Youth Camp

August 11-14, 2009

Southeast Gateway YWCA

1300 S. Main St., Winston-Salem, NC

The CP3 Youth Camp will be held at Southeast Gateway YWCA featuring three full size air-conditioned basketball courts. The camp consists of lectures, basketball drill stations, player evaluations, games and CP3's basketball contests. The camp is great for fundamentals training and is excellent preparation for campers looking to take their game to the next level.

The CP3 Youth Camp seeks to develop a positive all around athlete on and off the court, giving campers an opportunity to fully realize their potential in an enriching, fun, and safe environment, an environment that encourages teamwork, gamesmanship, self-confidence, respect, and dedication to the game. The CP3 Youth Camp is committed to the development of fundamental skills and technique enhancement. Campers learn ball handling, rebounding, passing, court spacing, defensive skills, and team offense. The Youth Camp's success will spring from Chris's strong dedication to the campers, providing them with a template they can use to create their own winning formulas on and off the court.
